## ADDENDUM 1 – AMENDMENT to Tender Document

### TENDER FOR THE SUPPLY AND INSTALLATION OF EQUIPMENT FOR A MULTISPECIES ABATTOIR IN BRADES

The tender document for the construction of the building included a line item for the supply of materials and equipment for one (1) walk in freezer and one (1) walk in cooler. This item was also listed in the tender for the supply of equipment.

In the tender document for the above mentioned project, the following constitutes Addendum 1.

#### General Matters:

1. Removal of line item 32 listed in the tender document under Additional Equipment:-  
Supply of Chill room freezers ( see floor Plan )
2. Remove Item Number 8 listed in the tender document: Stainless Steel Pliers device with suitable rings to close esophagus. This item is duplicated in line item number 6.
3. Replace line item 8 with new item which reads: Qty 20 hooks. Description “Cattle runner hooks with stainless steel body”. Dimension - 18mm diameter.

**Note: Line Item number 32 Chill room freezers to be removed from tender document.**
