

## INVITATION to TENDER

### Minor Road Works at Garibaldi Hill

The Office of the Premier, with support from the UNDP and the kind permission of the Montserrat Company Limited, is undertaking environmental remediation and enhancement activity in the Garibaldi Hill area. Persons interested in carrying out urgent minor road works in the Garibaldi Hill area are asked to contact the Director, Development Planning and Policy, Miss Angela Estwick for additional information and documentation. You are asked to contact Miss Estwick by 4pm on Friday December 16<sup>th</sup>, 2016 and you can call 491-2066/3212. In addition, a site visit is planned for Friday morning at 10am. Interested parties are asked to come along to the site for a briefing of the proposed activity to be undertaken.

Interested contractors who do collect bidding documents are asked to submit bids in the manner and at the specific time outlined in the instructions to tender.

It is imperative that a contract is expedited soonest.
