A topographic map of a building site. The map features contour lines with elevations ranging from 184.50 to 194.00. A red dashed line outlines a specific area within the site. Several building footprints are shown in different colors: red, yellow, blue, and green. The map is oriented with a north arrow pointing towards the top right. Labels 'VIEWS' and 'SUN' are present, with arrows indicating the direction of view and sun exposure. The word 'WIND' is also visible in the top right corner.
