### ADDENDUM #2 – AMENDEMENTS TO ORIGINAL SCOPE CONSTRUCTION OF MSS Temporary Timber Frame Structures Salem Campus

The client ministry has requested the relocation of the proposed buildings of the said project, which has resulted in the attached revised drawings. The amendments to the original scope are as follows:-

- The location of the buildings are now on the opposing side of the field.
- Footing for buildings B, C, D, E now reduced from 21 pads to 15 pads each.
- Floor finish now changed from T-G to Form-Ply.
- External walkways on field now altered to suit change in location of buildings.

Building A - now located on top of the existing Tennis Court Club facilities.  
- proposed external concrete sink now constructed as a stand-alone sink.  
- proposed timber building must be elevated 18” above existing concrete roof to allow for exposed steel in existing concrete roof to be casted for use as columns.  
- structure for projected area of building now altered.

Building B - now projected off the embankment on the right side of the field.  
- now contains an external balcony (for emergency egress).  
- footing of projected building now varies from 2’-0” to 12’-0”

Building C - alteration to rear staircase.

Building D & E - now located on existing concrete slabs. Cost must now be amended to include breaking into the slabs to construct concrete footing for proposed buildings.
