

ADDENDUM No 1 – Tender for the Provision of Ferry Services OP/PROC/001

Re: Amendment to Ferry Specifications - Section 6.3.1

Tenderers are asked to note that section 6.3.1 in the Invitation to tender Document is amended as follows:

Principal Particulars

- (i) Catamaran type, double hull
- (ii) Ferry should be at least 30 meters in length
- (iii) Draft Hull should be 1.30m to 2.00m
- (iv) One closed cabin and at least one open deck
- (v) Service speed of no less than 25 knots
- (vi) Preferably, the Government of Montserrat would require a vessel built between 2005 to the present. However, if, the vessel, was built prior to 2005 and the bidder can demonstrate that the vessel offered has been recently dry docked and engine overhauled with a maintenance regime, then the vessel will qualify in this category.

In your tender response please advise how your vessel will satisfactorily negotiate the water and weather conditions of the operating region.

Please refer to section 4.0 Information to be provided, to ensure that all documents and information requested in the ITT are included as part of the submission.

All queries and clarification relating to this tender should be as set out in the ITT
