(2) The Registrar shall, after giving all persons appearing by the register to be affected an opportunity of being heard, cause to be defined by survey the precise position of the boundaries in question, file a plan containing the necessary particulars and make a note in the register that the boundaries have been fixed, and thereupon the plan shall be deemed to define accurately the boundaries of the parcel.

(3) Where the dimension and boundaries of a parcel are defined by reference to a plan approved by the Chief Surveyor as being in accordance with the Land Surveyors Act, and any regulations made thereunder, a note shall be made in the register and the parcel shall be deemed to have had its boundaries fixed under this section.

### **Voluntary transfer**

27. Every proprietor who has acquired land, a lease or a charge by transfer without valuable consideration shall hold it subject to any unregistered rights or interests subject to which the transferor held it, and subject also to the provisions of any law relating to bankruptcy and to the winding-up provisions of the Companies Act, but save as aforesaid such transfer when registered shall in all respects have the same effect as a transfer for valuable consideration.

### **Overriding interests**

28. Unless the contrary is expressed in the register, all registered land shall be subject to such of the following overriding interests as may for the time being subsist and affect the same, without their being noted on the register—

- (a) rights of way, rights of water and any easement or profit subsisting at the time of first registration under this Act;
- (b) natural rights of light, air, water and support;
- (c) rights of compulsory acquisition, resumption, entry, search, user or limitation of user conferred by any other written law;
- (d) leases or agreements for leases for a term not exceeding two years, and periodic tenancies;
- (e) any unpaid moneys which, without reference to registration under this Act, are expressly declared by any written law to be a charge upon land;
- (f) rights acquired or in process of being acquired by virtue of any written law relating to the limitation of actions or by prescription;
- (g) the rights of a person in actual occupation of land or in receipt of the rents and profits thereof save where inquiry is made of such person and the rights are not disclosed;
- (h) electric supply lines, telephone and telegraph lines or poles, pipelines, aqueducts, canals, weirs and dams erected, constructed or laid in pursuance or by virtue of any power conferred by any written law:

Provided that, the Registrar may direct registration of any of the liabilities, rights and interests hereinbefore defined in such manner as he thinks fit.

### Conversion of provisional into absolute title

29. (1) Any proprietor registered with a provisional title or any interested person may at any time apply to the Registrar to be registered or to have the proprietor registered, as the case may be, with an absolute title.

(2) If the applicant satisfies the Registrar that the qualification to which the provisional title is subject has ceased to be of effect, the Registrar shall make an order for the registration of the proprietor with absolute title after such advertisement as the Registrar may think fit.

(3) On the making of any such order or on the application of any interested party after the expiration of twelve years from the date of first registration with a provisional title, the Registrar shall substitute in the register the words “**absolute title**” for the words “**provisional title**” and the title of the proprietor shall thereupon become absolute.

### Entries to constitute actual notice

30. Every proprietor acquiring any land, lease or charge shall be deemed to have had notice of every entry in the register relating to the land, lease or charge.

## PART 4

### CERTIFICATES AND SEARCHES

#### Land certificates and certificates of lease

31. (1) The Registrar shall, if requested by any proprietor of land or a lease where no land certificate or certificate of lease has been issued, issue to him a land certificate or a certificate of lease, as the case may be, in the prescribed form showing all subsisting entries in the register affecting that land or lease:

Provided that—

- (i) only one such certificate shall be issued in respect of each parcel of land or lease;
- (ii) no certificate of lease shall be issued unless the lease is for a certain period exceeding twenty five years.

(2) A land certificate or certificate of lease shall be only *prima facie* evidence of the matters shown therein, and the land or lease shall be subject to all entries in the register whether they are shown on the certificate or not.

(3) When there is more than one proprietor, the proprietors shall agree among themselves as to who shall receive the certificate, and failing agreement the certificate shall be filed in the registry.

(4) The date of issue of a land certificate or certificate of lease shall be noted in the register.

### **Production of certificates**

32. (1) If a land certificate or a certificate of lease has been issued, then, unless it is filed in the registry, or the Registrar dispenses with its production, it shall be produced on the registration of any dealing with the land or lease to which it relates, and a note of such registration shall be made on the certificate.

(2) If the disposition is a transfer, the certificate if produced shall be destroyed, and in such case a new certificate may be issued to the new proprietor.

(3) If the disposition is a charge, the certificate, if any, shall be filed in the registry.

### **Disposition of leases and charges**

33. On the registration of any disposition of a lease or charge the duplicate and the triplicate of the lease or charge shall be produced to the Registrar, who shall note particulars of the disposition on the filed lease or charge and on the duplicate and triplicate thereof unless the Registrar is satisfied that they cannot be produced.

### **Lost or destroyed certificates**

34. (1) If a land certificate or certificate of lease is lost or destroyed, the proprietor may apply to the Registrar for the issue of a new certificate, and shall produce evidence to satisfy the Registrar of the loss or destruction of the previous certificate.

(2) The Registrar may require a statutory declaration that the certificate has been lost or destroyed.

(3) The Registrar, if satisfied with the evidence as to the destruction or loss of the certificate, and after the publication of such notice as he may think fit, may issue a new certificate.

(4) When a lost certificate is found, it shall be delivered to the Registrar for cancellation.

### **Searches and copies**

35. (1) Any person, on application in the prescribed form and on payment of the prescribed fee, may inspect during official hours of business any register and any sheet of the Registry Map or any filed instrument or plan.

(2) Any person, on application in the prescribed form and on payment of the prescribed fee, shall be entitled to a certified copy of any register or part of the Registry Map or any plan or instrument filed in the registry.

(3) Any person on application in the prescribed form and on payment of the prescribed fee, may require an official search in respect of any parcel, and the Registrar shall issue a certificate of official search setting forth particulars of the subsisting entries in the register of that parcel.

## Evidence

36. (1) A certified copy of the register or part of the Registry Map or any plan or instrument filed in the registry shall be admissible in evidence in all actions and matters and between all persons or parties, to the same extent as the original, and a signature on any such certified copy purporting to be the signature of the Registrar shall be presumed to be the signature of the Registrar until the contrary is proved.

(2) No legal practitioner, trustee, personal representative or other person in a fiduciary position shall be answerable in respect of any loss occasioned by the inaccuracy of any such certified copy as is referred to in subsection (1).

(3) No process for compelling the production of the register or of the Registry Map, or of any filed instrument or plan shall issue from any court except with the leave of that court, which leave shall not be granted if a certified copy will suffice, and any such process, if issued, shall bear thereon a statement that it is issued with the leave of the court.

## PART 5

### DISPOSITIONS

#### Division 1

##### *General*

## Subsequent dealings

37. (1) No land, lease or charge shall be capable of being disposed of except in accordance with this Act, and every attempt to dispose of such land, lease or charge otherwise than in accordance with this Act shall be ineffectual to create, extinguish, transfer, vary or affect any estate, right or interest in the land, lease or charge.

(2) Nothing in this section shall be construed as preventing any unregistered instrument from operating as a contract, but no action may be brought upon any contract for the disposition of any interest in land unless the agreement upon which such action is brought, or some memorandum or note thereof, is in writing, and is signed by the party to be charged or by some other person thereunto by him lawfully authorised:

Provided that, such an action shall not be prevented by reason only of the absence of writing, where an intending purchaser or lessee who has performed or is willing to perform his part of a contract—

- (i) has in part performance of the contract taken possession of the property or any part thereof; or
- (ii) being already in possession, continues in possession in part performance of the contract and has done some other act in furtherance of the contract.

### **Protection of persons dealing in registered land**

**38. (1)** No person dealing or proposing to deal for valuable consideration with a proprietor shall be required or in any way concerned—

- (a) to inquire or ascertain the circumstances in or the consideration for which such proprietor or any previous proprietor was registered;
- (b) to see to the application of any consideration or any part thereof;
- (c) to search any register kept under the Registration and Records Act; or
- (d) to search any register kept under the Title by Registration Act.

**(2)** Where the proprietor of land, a lease or a charge is a trustee, he shall in dealing therewith be deemed to be absolute proprietor thereof, and no disposition by such trustee to a *bona fide* purchaser for valuable consideration shall be defeasible by reason of the fact that such disposition amounted to a breach of trust.

**(3)** Nothing contained in this section shall relieve a purchaser for valuable consideration from his obligation to search the registry.

*(Inserted by Act 8 of 1981)*

### **Additional fee for delayed registration**

**39.** Where an instrument is presented for registration later than one year from the date of the instrument, then, as well as the registration fee, an additional fee equal to the registration fee shall be payable.

*(Amended by Act 8 of 1981)*

### **Power to compel registration**

**40. (1)** If he is satisfied that any person, through his wilful default, has failed to register any instrument which is registerable under this Act, the Registrar may by notice in writing order such person to present such instrument for registration, and thereupon the registration fee and any additional fee payable under section 39 shall become due and shall be payable whether the instrument is presented for registration or not.

(2) Any person who fails to comply with an order of the Registrar under subsection (1) within one month of the service of the notice shall be guilty of an offence and shall on summary conviction be liable to a fine of \$500.

### **Priority of registered interests**

41. (1) Interests appearing in the register shall have priority according to the order in which the instruments which led to their registration were presented to the registry, irrespective of the dates of the instruments and notwithstanding that the actual entry in the register may be delayed:

Provided that, where an instrument is prepared in the registry it shall be deemed to have been presented on the date on which application for its preparation was made to the Registrar.

(2) Instruments sent by post or under cover and received during the hours of business shall be deemed to be presented simultaneously immediately before the closing of the office on that day, and instruments so sent but received between the time of closing and the next opening of the office for business shall be deemed to be presented simultaneously immediately after such opening.

(3) Where more than one instrument or application are presented on the same day, or on different days but at so short an interval from each other that in the opinion of the Registrar there is doubt as to their order of priority the Registrar may refuse registration until he has heard and determined the rights of the parties interested thereunder.

### **Stay of registration**

42. (1) Where any person proposing to deal with registered land has, with the consent in writing of the proprietor, applied for an official search and has stated in his application the particulars of the proposed dealing, the registration of any instrument affecting the land to be comprised in or affected by the proposed dealing shall be stayed for a period (hereinafter referred to as the suspension period) of fourteen days from the time at which application for the search was made, and a note shall be made in the register accordingly.

(2) If within the suspension period a properly executed instrument affecting the proposed dealing is presented for registration, such instrument shall have priority over any other instrument which may be presented for registration during the suspension period, and shall be registered notwithstanding any caution or other entry for which application for registration may have been made during the suspension period.

(3) Subject to subsection (2), any instrument or document for which application for registration is made during the suspension period other than that affecting the proposed dealing shall be dealt with in the same manner, shall have the same priority and shall be as effectual as if no stay of registration had been obtained.

### **Merger of registered interests**

**43.** Where, upon the registration of a dealing, the interest of—

- (a) lessor and lessee;
- (b) chargor and chargee; or
- (c) the proprietor of a parcel which is burdened with an easement, profit or restrictive agreement and the proprietor of a parcel which benefits therefrom,

vest in the same proprietor, such interests shall not merge unless a surrender or discharge is registered or the parcels are combined or there is a declaration of merger, which may be contained in the instrument evidencing the dealing.

## **Division 2**

### *Leases*

#### **Leases**

**44.** Subject to this Act and any other written law, the proprietor of land may lease the land or part of it to any person for a definite period or for the life of the lessor or of the lessee or for a period which though indefinite may be terminated by the lessor or the lessee, and subject to such conditions as he may think fit:

Provided that, if only part is leased, the lease shall be accompanied by a plan or other description which the Registrar, in his absolute discretion, deems adequate to identify the part leased.

#### **Periodic tenancies**

**45. (1)** Where in any lease the term is not specified and no provision is made for the giving of notice to terminate the tenancy, the lease shall be deemed to have created a periodic tenancy.

**(2)** Where the proprietor of land permits the exclusive occupation of the land or any part thereof by any other person at a rent but without any agreement in writing, that occupation shall be deemed to constitute a periodic tenancy.

**(3)** The period of a periodic tenancy created by this subsection shall be the period by reference to which the rent is payable, and the tenancy may be determined by either party giving to the other notice, the length of which shall, subject to any other written law, be not less than the period of the tenancy and shall expire on one of the days on which rent is payable.

### Registration of leases

46. A lease for a specified period exceeding two years, or for the life of the lessor or of the lessee, or a lease which contains an option whereby the lessee may require the lessor to grant him a further term or terms which, together with the original term exceed two years, shall be in the prescribed form, and shall be completed by—

- (a) opening a register in respect of the lease in the name of the lessee;
- (b) filing the lease; and
- (c) noting the lease in the incumbrances section of the register of the lessor's land or lease.

### Lessor's consent to dealing with lease

47. Upon the registration of a lease containing an agreement; expressed or implied, by the lessee that he will not transfer, sublet, charge or part with possession of land leased or any part thereof without the written consent of the lessor, the agreement shall be noted in the register of the lease, and no dealing with the lease shall be registered until the consent of the lessor, verified in accordance with section 108, has been produced to the Registrar.

### Lease of charged land

48. Where any land is subject to a charge, no lease of such land shall be registered without the previous consent in writing of the proprietor of the charge, verified in accordance with section 108, unless the charge expressly dispenses with the necessity for such consent.

### Duration of leases

49. (1) Where the period of a lease is expressed as commencing on a particular day, that day is excluded in computing that period.

(2) Where no day of commencement is named, the period commences on the date of execution of the lease, and that day is excluded in computing that period.

(3) Where the period is a year or a number of years in the absence of an express agreement to the contrary, the lease shall last during the whole anniversary of the day on which such period commences.

### Future leases

50. (1) A lease may be made for a period to commence on a future date, not being later than twenty one years from the date on which the lease is executed, but shall be of no effect unless it is registered.

(2) Any instrument purporting to create a lease to commence on a date more than twenty one years after the date of the instrument, or to take effect on the fulfilment of any condition, is void.

### **Holding over**

**51. (1)** Where a person, having lawfully, entered into occupation of any land as lessee, continues to occupy that land with the consent of the lessor after the termination of the lease he shall, in the absence of any evidence to the contrary, be deemed to be a tenant holding the land on a periodic tenancy on the same conditions as those of the lease so far as those conditions are appropriate to a periodic tenancy.

**(2)** For the purposes of this section, the acceptance of rent in respect of any period after the termination of the lease shall, if the former tenant is still in occupation and subject to any agreement to the contrary, be taken as evidence of consent to the continued occupation of the land.

### **Agreements implied in leases on part of the lessor**

**52.** Save as otherwise expressly provided in the lease, there shall be implied in every lease, an agreement by the lessor with the lessee binding the lessor—

- (a) that, so long as the lessee pays the rent and observes and performs the agreements and conditions contained or implied in the lease and on his part to be observed and performed, the lessee shall and may peaceably and quietly possess and enjoy the leased premises during the period of the lease without any lawful interruption from or by the lessor or any person rightfully claiming through him;
- (b) not to use or permit to be used any adjoining or neighbouring land of which he is the proprietor or lessee in any way which would render the leased premises unfit or materially less fit for the purpose for which they were leased;
- (c) where part only of a building is leased, to keep the roof, main walls and main drains, and the common passages and common installations, in repair;
- (d) where any dwelling-house, flat or room is leased furnished, that such house, flat or room is fit for habitation at the commencement of the tenancy; and
- (e) that if at any time the leased premises or any part thereof are destroyed or damaged by fire, civil commotion or accident not attributable to the negligence of the lessee, his servants or his licensees, so as to render the leased premises or any part thereof wholly or partially unfit for occupation or use, the rent or a just proportion thereof according to the nature and extent of the damage sustained shall be suspended and cease to be payable until the leased premises have again been rendered fit for occupation and use; but that if the leased premises have not been so rendered fit for occupation and use within six months of their destruction or damage as aforesaid, the lessee may at

his option, and on giving one month's written notice of his intention so to do, terminate the lease.

### **Agreements implied in leases on part of the lessee**

**53.** Save as otherwise expressly provided in the lease, there shall be implied in every lease, an agreement by the lessee with the lessor binding the lessee—

- (a) to pay the rent reserved by the lease at the times and in the manner therein specified;
- (b) to pay all rates, taxes and other outgoings which are at any time payable in respect of the leased premises during the continuance of the lease unless the same are payable exclusively by the lessor by virtue of any written law;
- (c) in the case of agricultural land, to farm the same in accordance with the practice and any rules of good husbandry and to yield up the land at the end of the term in good heart;
- (d) except where part only of a building is leased, or where a dwelling house is leased furnished, to keep all buildings comprised in the lease and all boundary makes in repair;
- (e) where part only of a building is leased, or where a dwelling house is leased furnished, to keep the leased premises, except the roof, main walls and main drains, and the common passages and common installations in repair;
- (f) where the lease is of furnished premises to keep the furniture in as good condition as it was at the commencement of the period, fair wear and tear only excepted, and to replace such articles as are lost, destroyed or so damaged as to be beyond repair with articles of equal value to those so lost, destroyed or damaged;
- (g) to permit the lessor or his agent with or without workmen or others at all convenient times and after reasonable notice to enter on the leased premises and examine their condition;
- (h) to repair or otherwise make good any defect or breach of agreement for which the lessee is responsible and of which notice has been given by the lessor to the lessee, within such reasonable period as may be specified in the notice; and
- (i) not to transfer, charge, sublease or otherwise part with the possession of the leased premises or any part thereof without the previous written consent of the lessor, but such consent shall not be unreasonably withheld.

### Meaning of “in repair”

54. Where an agreement is contained or implied in any lease to keep a building or a particular part of a building “in repair”, it shall, in the absence of an express provision to the contrary, mean in such state of repair as that in which a prudent owner might reasonably be expected to keep his property, due allowance being made for the age, character and locality of the building at the commencement of the lease:

Provided that, there shall not be read into such an agreement an undertaking to put any building into a better state of repair than that in which it was at the commencement of the lease.

### Lessor’s right of forfeiture and effect of forfeiture on sub-leases

55. (1) Subject to section 57 and to any provision to the contrary in the lease, the lessor shall have the right to forfeit the lease if the lessee—

- (a) commits any breach of, or omits to perform, any agreement or condition on his part expressed or implied in the lease;
- (b) is adjudicated bankrupt; or
- (c) being a company, goes into liquidation.

(2) The right of forfeiture may be—

- (a) exercised, where neither the lessee nor any person claiming through or under him is in occupation of the land, by entering upon and remaining in possession of the land; or
- (b) enforced by action in the court.

(3) The right of forfeiture shall be taken to have been waived if—

- (a) the lessor accepts rent which has become due since the breach of agreement or condition which entitled the lessor to forfeit the lease or has by any other positive act shown an intention to treat the lease as subsisting; and
- (b) the lessor is, or should by reasonable diligence have become, aware of the commission of the breach:

Provided that, the acceptance of rent after the lessor has commenced an action in the court under subsection (2) shall not operate as a waiver.

(4) The forfeiture of a lease shall terminate every sub-lease and every other interest appearing in the register relating to that lease, but—

- (a) where the forfeiture is set aside by the court on the grounds that it was procured by the lessor in fraud of the sub-lessee; or
- (b) where the court grants relief against the forfeiture under section 57,

every such sub-lease and other interest shall be deemed not to have terminated.

### Notice before forfeiture

**56.** Notwithstanding anything to the contrary contained in the lease, no lessor shall be entitled to exercise the right of forfeiture for the breach of any agreement or condition in the lease, whether expressed or implied, until the lessor has served on the lessee a notice—

- (a) specifying the particular breach complained of; and
- (b) if the breach is capable of remedy, requiring the lessee to remedy the breach within such reasonable period as is specified in the notice; and
- (c) in any case other than non-payment of rent, requiring the lessee to make compensation in money for the breach,

and the lessee has failed to remedy the breach within a reasonable time thereafter, if it is capable of remedy, and to make reasonable compensation in money.

### Relief against forfeiture

**57. (1)** A lessee upon whom a notice has been served under section 56, or against whom the lessor is proceeding, by action or re-entry, to enforce his right of forfeiture, may apply to the court for relief; and the court, having regard to the proceedings and the conduct of the parties and the circumstances of the case, may grant or refuse relief and if it grants relief, may grant it on such terms as it thinks fit.

*(Amended by Act 8 of 1981)*

**(2)** The court on application by any person claiming as sub-lessee or chargee of any interest in the property or part of the property comprised in the lease forfeited or sought to be forfeited, may make an order vesting the property or such part in such sub-lessee or chargee for the whole period of the lease or any less period, upon such conditions as the court in the circumstances of the case thinks fit:

Provided that, nothing in this subsection shall apply in the case of a forfeiture arising from a breach to which the sub-lessee is a party or from the breach of an express agreement or condition against subleasing, parting with the possession of or disposing of the property leased.

**(3)** For the purpose of this section a lease limited to continue as long as the lessee abstains from committing a breach of agreement or condition shall be and take effect as a lease to continue for any longer term for which it could subsist, but terminable by a proviso for re-entry on such breach.

**(4)** This section shall have effect notwithstanding any stipulation or agreement to the contrary and whether the lease is registered or not.

### Variation and extension of leases

**58.** Subject to section 56, the agreements and conditions contained or implied in any registered lease may be varied, negated or added to, and the period of any registered lease may from time to time be extended, by an instrument executed by the lessor and the lessee for the time being and registered before the expiration of the then current term of the lease.

### Substitution of leases

**59.** Where upon presentation of a lease for registration the Registrar is satisfied that the lessee is the person registered as the proprietor of a prior lease in respect of the same land, he shall cancel the registration of the prior lease and register the new lease subject to any incumbrances registered against the prior lease.

### Sub-leases

**60. (1)** Subject to any provision in his lease affecting his right to do so, the proprietor of a registered lease may, by a sub-lease in the prescribed form, sub-lease for any period which is less than the remainder of the period of his lease.

**(2)** Save as otherwise expressly provided in this Act, the provisions of this Act affecting leases, lessors and lessees shall apply to sub-leases, sub-lessors and sub-lessees, with such adaptations as are necessary.

**(3)** If a lease is terminated by operation of law or under any law relating to bankruptcy or liquidation proceedings such termination shall terminate the sub-lease.

**(4)** In addition to the agreements specified by this Act to be implied in leases, there shall be implied in every sub-lease under this Act an agreement by the sub-lessor that he will, during the continuance of the sub-lease, pay the rent reserved by the lease under which the sub-lessor holds, and observe and perform the agreements and conditions thereof.

**(5)** Where a sub-lessee has paid to the sub-lessor's lessor the rent or any part of the rent payable by the sub-lessor under the lease under which the sub-lessor holds, the sub-lease shall be entitled to set off any sum so paid against the rent payable by him to the sub-lessor in respect of the sub-lease.

### Surrender of leases

**61. (1)** Where the lessor and the lessee agree that the lease shall be surrendered, it shall be surrendered in the following manner—

- (a)* an instrument shall be prepared in the prescribed form, or else the word “**surrendered**” shall be inscribed on the lease or on the duplicate or triplicate thereof;
- (b)* the instrument or inscription shall then be executed by the lessor and lessee;

(c) the Registrar shall then cancel the registration of the lease; and

(d) the instrument or inscribed lease shall then be filed,

and thereupon, or upon such earlier date as is expressed in the instrument or inscription, the interest of the lessee, shall cease.

(2) No lease which is subject to a charge or a sub-lease shall be surrendered without the consent in writing of the proprietor of the charge or sub-lease.

### Termination of leases

62. (1) Where—

(a) the period of a lease has expired;

(b) an event upon which a lease is expressed to terminate has happened;

(c) a lessor has lawfully re-entered; or

(d) a notice duly given to terminate the lease has expired, and the lessor has recovered possession of the land leased,

the lease and every other interest appearing on the register relating to the lease shall thereupon terminate, and the lessor may apply in writing to the Registrar to cancel the registration.

(2) An application under this section shall be supported by such evidence of the matters giving rise to the termination and the recovery of possession by the lessor as the Registrar may require, and the Registrar on being satisfied of the matters set forth in the application shall cancel the registration of the lease.

### Voluntary registration of leases

63. Where application is made to the Registrar to register any lease which is not compulsorily registrable under this Act but which is capable of registration, the Registrar shall not register such lease unless—

(a) it is in the prescribed form, or in such form as the Registrar may approve; and

(b) in the case of a sub-lease, every lease superior to that sub-lease complies with paragraph (a) and is registered in priority to the sub-lease.

### **Division 3**

#### *Charges*

#### **Form and effect of charges**

**64. (1)** A proprietor may, by an instrument in the prescribed form, charge his land or lease or charge to secure the payment of an existing or a future or a contingent debt or other money or money's worth or the fulfilment of a condition, and the instrument shall contain a special acknowledgement that the chargor understands the effect of section 72 and the acknowledgement shall be signed by the chargor or, where the chargor is a corporation, by one of the persons attesting the affixation of the common seal.

**(2)** A date for the repayment of the money secured by a charge may be specified in the charge instrument, and where no such date is specified or repayment is not demanded by the chargee on the date specified the money shall be deemed to be repayable three months after the service of a demand in writing by the chargee.

**(3)** The charge shall be completed by its registration of the person in whose favour it is created as its proprietor and by filing the instrument.

**(4)** A charge shall not operate as a transfer but shall have effect as a security only.

**(5)** There shall be included, in an instrument of charge securing the fulfilment of a condition or the payment of an annuity or other periodical payment not of the nature of interest on a capital sum, such provisions as the parties think fit for disposing, subject to section 76, of the money which may arise on the exercise by the chargee of his power of sale, either by setting aside the proceeds of sale or part thereof and investing it to make future periodical payments, or by payment to the chargee of estimated capital value of the chargee's interest, or otherwise.

#### **Second or subsequent charges**

**65.** A proprietor whose land or lease or charge is subject to a charge may create a second or subsequent charge in the same manner as the first charge and the same provisions shall apply thereto, but any sale under the power expresses or implied in any such charge shall be expressed to be subject to all prior charges unless all those charges have been discharged.

#### **Presumption that money paid is interest**

**66.** If any question arises whether any payment made by the chargor is in respect of principal or interest, such payment shall be presumed to be in respect of interest to the extent of all interest which is due and payable at the date of payment.

### Agreement implied in charges

67. There shall be implied in every charge, unless the contrary is expressed therein, agreements by the chargor with the chargee binding the chargor—

- (a) to pay the principal money on the day therein appointed and, so long as the principal money or any part thereof remains unpaid, to pay interest thereon, or on so much thereof as for the time being remains unpaid, at the rate and on the days and in manner therein specified;
- (b) to pay all rates, taxes and other outgoings which are at any time payable in respect of the charged property;
- (c) to repair and keep in repair all buildings and other improvements upon the charged land or comprised in the charged lease and to permit the chargee or his agent, at all reasonable times and after reasonable notice to the chargor, to enter the land and examine the state and condition of such buildings and improvements;
- (d) to insure and keep insured all buildings upon the charged land or comprised in the charged lease against loss or damage by fire in the joint names of the chargor and chargee with insurers approved by the chargee to the full value thereof;
- (e) in the case of a charge of agricultural land, to farm the land in accordance with the rules of good husbandry;
- (f) in the case of a charge of land or of a lease, not to lease the charged land or any part thereof, or sub-lease the whole or any part of the land comprised in the charged lease, for any period longer than one year without the previous consent in writing of the chargee, but such consent shall not be unreasonably withheld;
- (g) not to transfer the land, lease or charge charged or any part thereof without the previous written consent of the chargee but such consent shall not be unreasonably withheld;
- (h) in the case of a charge of a lease, during the continuance of the charge to pay the rent reserved by the lease and observe and perform the agreements and conditions thereof, and to keep the chargee indemnified against all proceedings, expenses and claims on account of the non-payment, of the said rent or any part thereof, or the breach or non-observance of the said agreements and conditions or any of them, and, if the lessee has an enforceable right to renew the lease, to renew it;
- (i) where the charge is a second or subsequent charge, that the chargor will pay the interest from time to time accruing due on each prior charge when it becomes due, and will at the proper time repay the principal money due on each prior charge; and

- (j) where the chargor fails to comply with any of the agreements implied by paragraphs (b), (c), (d), (e), (g) and (h) that the chargee may spend such money as is necessary to remedy the breach, and may add the amount so spent to the principal money, and that there-upon the amount shall be deemed for all purposes to be part of the principal money secured by the charge.

### **Chargee's consent to transfer**

68. Where a charge contains an agreement, express or implied, by the chargor with the chargee that he will not transfer the land, lease or charge charged or any part thereof without the written consent of the chargee, the agreement shall be noted in the register and no transfer by the chargor shall be registered until the written consent of the chargee, verified in accordance with section 108, has been produced to the Registrar.

### **Variation of charges**

69. The amount secured, the method of repayment, the rate of interest or the term of the charge may be varied by the registration of an instrument of variation executed by the parties to the charge, but no such variation shall affect the rights of the proprietor of any subsequent charge, unless he has consented to the variation in writing on the instrument of variation.

### **Right of redemption**

70. (1) Subject to this section, a chargor, on payment of all money due and owing under the charge at the time of payment or on fulfilment of any condition secured thereby and on payment of any costs or expenses properly incurred by the charge in exercising any power conferred on him by section 72, may redeem the charged land or lease or charge at any time before it has been sold under section 75, and any agreement or provision which purports to deprive the chargor of this right of redemption shall be void; and, for the purposes of this subsection, land, a lease or a charge shall be deemed to have been sold when a bid has been accepted at the auction sale.

(2) If the chargor wishes to redeem the charged land or lease or charge before the date for repayment specified in the charge, he shall be entitled to do so on payment to the chargee, in addition to any other money then due or owing under the charge, of interest on the principal sum secured thereby for the unexpired portion of the term of the charge.

(3) If the chargor seeks to redeem the charged land or lease or charge after the date specified in the charge, or where no such date is specified, he shall give the chargee three months' notice of his intention to redeem the charge or shall pay him three months' interest in lieu thereof.

(4) If at any time the chargor is entitled and desires to repay the money secured by the charge, and the chargee is absent or cannot be found, or the Registrar is satisfied that the charge cannot be discharged otherwise, the chargor may deposit the amount due with the Registrar in trust for the person

entitled thereto, and thereupon the obligations of the chargor under the charge shall cease, and the Registrar shall cancel the registration of the charge and shall pay the amount deposited to the chargee within 6 years of the date of deposit, and if the amount is not so paid it shall be paid into the Consolidated Fund.

### **Right of third party to transfer of charge**

**71.** On his tendering to the chargee such sums as would have been payable to the chargee if the chargor had sought to redeem the charge under section 70, any of the following persons, that is to say—

- (b) any surety for the payment of the amount secured by the charge; or
- (c) any creditor of the chargor who has obtained a decree for sale of the charged land, lease or charge,

may require the chargee to transfer the charge to him.

### **Chargee's remedies**

**72. (1)** If default is made in payment of the principal sum or of any interest or any other periodical payment or of any part thereof, or in the performance or observance of any agreement expressed or implied in any charge, and continues for one month, the chargee may serve on the chargor notice in writing to pay the money owing or to perform and observe the agreement, as the case may be.

**(2)** If the chargor does not comply with any notice served on him under subsection (1) within three months of the date of such service the chargee may—

- (a) appoint a receiver of the income of the charged property; or
- (b) sell the charged property:

Provided that, a chargee who has appointed a receiver may not exercise the power of sale unless the chargor fails to comply, within three months of the date of service, with a further notice served on him under that subsection.

*(Amended by Act 8 of 1981)*

**(3)** The chargee shall be entitled to sue for the money secured by the charge in the following cases only—

- (a) where the chargor is bound to repay the same;
- (b) where, by any cause other than the wrongful act of the chargor or chargee the charged property is wholly or partially destroyed or the security is rendered insufficient and the chargee has given the chargor a reasonable opportunity of providing further security which will render the whole

security sufficient, and the chargor has failed to provide such security;

- (c) where the chargee is deprived of the whole or part of his security by, or in consequence of, the wrongful act or default of the chargor:

Provided that—

- (i) in the case specified in paragraph (a)—
- (A) a transferee from the chargor shall not be liable to be sued for the money unless he has agreed with the chargee to pay the same; and
  - (B) no action shall be commenced until a notice served in accordance with subsection (1) has expired;
- (ii) the court may, at its discretion, stay a suit brought under paragraph (a) or paragraph (b), notwithstanding any agreement to the contrary, until the chargee has exhausted all his other remedies against the charged property.

### **Appointment, powers, remuneration and duties of receiver**

**73. (1)** The appointment of a receiver under the powers conferred by section 72 shall be in writing signed by the chargee.

**(2)** A receiver may be removed at any time and a new receiver appointed in writing signed by the chargee.

**(3)** A receiver appointed under this section shall be deemed to be the agent of the chargor for the purposes for which he is appointed; and the chargor shall be solely responsible for the receiver's acts and defaults unless the charge otherwise provides.

**(4)** The receiver shall have power to demand and recover all the income of which he is appointed receiver, by action or otherwise, in the name of the chargor, and to give effectual receipts accordingly for the same.

**(5)** A person paying money to the receiver shall not be concerned to inquire into the validity of the receiver's appointment.

**(6)** Subject to subsection (8), the receiver shall be entitled to retain out of any money received by him all costs, charges and expenses incurred by him as receiver, and, for his remuneration, a commission at such rate, not exceeding 5% of the gross amount of all moneys received, as is specified in his appointment, or if no rate is so specified at the rate of 5% of that gross amount, or such other rate as the chargor and the chargee and other chargees, if any, agree or the court thinks fit to allow on application made by the receiver for that purpose.

**(7)** The receiver shall apply insurance money in making good the loss or damage in respect of which the money is received.

(8) Subject to subsection (7), the receiver shall apply all money received by him in the following order of priority—

- (a) in discharge of all rents, rates, taxes and outgoings whatever affecting the charged property;
- (b) in keeping down all annual sums or other payments, and the interest on all principal sums, having priority to the charge in right whereof he is receiver;
- (c) in payment of his commission, costs, charges and expenses and of the premiums on fire, life and other insurance, if any, properly payable under the charge instrument or under this Act, and the cost of executing necessary or proper repairs directed in writing by the chargee;
- (d) in payment of the interest accruing due in respect of any principal money due under the charge; and
- (e) in or towards the discharge of the money secured by the charge, if so directed in writing by the chargee,

and shall pay the residue, if any, of the money received by him to the person, who but for the appointment of the receiver would have been entitled to receive the income of which he is appointed receiver, or who is otherwise entitled to the charged property.

### Chargee's powers of leasing

74. (1) The proprietor of a charge on land or a lease who has appointed a receiver under the powers conferred on him by section 72 shall, in the absence of any express provision to the contrary contained in the charge, have power, subject to this Act and any other written law—

- (a) to grant leases in respect of the charged land comprised in the charged lease or any part or parts thereof; and
- (b) to accept a surrender of any lease so granted and of any lease created by the chargor,

and may, for such purposes, execute in the place of the chargor any instrument required to effect such lease or surrender.

(2) Every lease granted by a chargee shall—

- (a) be made to take effect in possession not later than twelve months after its date;
- (b) reserve the best rent that can reasonably be obtained, regard being had to the circumstances of the case, but without a fine or premium being obtained;
- (c) be for a term not exceeding twenty one years; and
- (d) contain a declaration by the chargee that he has appointed a receiver, with the date of appointment.

## Power of sale

**75. (1)** A chargee exercising his power of sale shall act in good faith and have regard to the interest of the chargor, and may sell or concur with any person in selling the charged land, lease or charge, or any part thereof together or in lots or by public auction for a sum payable in one amount or by instalments, subject to such reserve price and conditions of sale as the chargee thinks fit, with power to buy at the auction and to resell by public auction without being answerable for any loss occasioned thereby.

**(2)** Where the chargor is in possession of the charged land or the land comprised in the charged lease the chargee shall become entitled to recover possession of the land upon a bid being accepted at the auction sale.

**(3)** A transfer by a chargee in exercise of his power of sale shall be made in the prescribed form, and the Registrar may accept it as sufficient evidence that the power has been duly exercised, and any person suffering damage by an irregular exercise of the power shall have his remedy in damages only against the person exercising the power.

**(4)** Upon registration of such transfer, the interest of the chargor as described therein shall pass and vest in the transferee freed and discharged from all liability on account of the charge, or on account of any other incumbrance to which the charge has priority (other than a lease, easement or profit subsisting at the time the charge was effected or to which the chargee has consented in writing).

**(5)** A chargee, in exercising his power of sale, shall have the same powers and rights in regard to easements and restrictive agreements as are conferred upon a proprietor by sections 93 and 94.

## Application of purchase money

**76.** The purchase money received by a charge who has exercised his power of sale, after discharge of any prior incumbrances to which the sale is not made subject or after payment into court of a sum sufficient to meet any such prior incumbrances, shall be applied—

- (a)* firstly, in discharge of all rents, rates, taxes and outgoings whatever affecting the charged property;
- (b)* secondly, in payment of all costs and expenses properly incurred and incidental to the sale or any attempted sale;
- (c)* thirdly, in accordance with any express provision in the charge (as required by section 64) for disposing of such money and, in the absence of any such express provision, in discharge of the money due to the charge at the date of the sale; and
- (d)* fourthly, in payment of any subsequent charges in the order of their priority,

and the residue of the money so received shall be paid to the person who immediately before the sale was entitled to redeem the charged land, lease or charge.

### **Variation of powers**

77. The provisions of sections 70(2) and (3), 72, 73, 74 and 75 may in their application to a charge be varied or added to in the charge:

Provided that, any such variation or addition shall not be acted upon, unless the court, having regard to the proceedings and conduct of the parties and to the circumstances of the case, so orders.

### **No right of entry into possession of foreclosure**

78. For the avoidance of doubt, it is hereby declared that the chargee shall not be entitled to foreclose, not to enter into possession of the charged land or the land comprised in a charged lease or to receive the rents and profits thereof by reason only that default has been made in the payment of the principal sum or of any interest or other periodical payment or of any part thereof or in the performance or observance of any agreement expressed or implied in the charge.

### **Discharge of charge**

79. (1) A discharge, whether of the whole or of a part of a charge, shall be made by an instrument in the prescribed form, or (if of the whole) the word “**Discharged**” may be endorsed on the charge or the duplicate or triplicate and the endorsement executed by the chargee and dated.

(2) A discharge shall be completed by cancellation in the register of the charge, or part thereof as the case may require, and filing the instrument of discharge or the endorsed charge.

### **Satisfaction of charges**

80. Upon proof to the satisfaction of the Registrar—

- (a) that all money due under a charge has been paid to the chargee or by his direction; or
- (b) that there has occurred the event of circumstances upon which, in accordance with the provisions of any charge, the money thereby secured ceases to be payable and that no money is owing under the charge, the Registrar shall order the charge to be cancelled in the register, and thereupon the land, lease, or charge shall cease to be subject to the charge.

### **Tacking and further advances**

81. (1) Provision may be made in the charge for a chargee to make further advances or give credit to the chargor on a current or continuing account, but, unless that provision is noted in the register, further advances shall not

rank in the priority to any subsequent charge except with the consent in writing of the proprietor of the subsequent charge.

(2) Except as provided in this section, there is no right to tack.

### **Consolidation**

**82.** A chargee has no right to consolidate his charge with any other charge unless the right is expressly reserved in the charges or in one of them and is noted in the register against all the charges so consolidated.

## **Division 4**

### *Transfers*

### **Transfer**

**83. (1)** A proprietor, by an instrument in the prescribed form may transfer his land, lease or charge to any person with or without consideration.

(2) The transfer shall be completed by registration of the transferee as proprietor of the land, lease or charge and by filing the instrument.

(3) The transferee of a charge may require the chargor to execute the transfer for the purpose of acknowledging the amount due under the charge at the date of execution of the transfer.

### **Certificates as to payment of rates**

**84.** The Registrar shall not register any instrument purporting to transfer or to vest any land, or a lease of land, situate within the area of a rating authority unless there is produced to the Registrar a written consent by the authority:

Provided that, no such consent shall be required where the instrument relates to—

- (i) land which is subject to a lease and the leasehold interest is, by virtue of any written law, the rateable property; or
- (ii) a lease, and the land or another leasehold interest is, by virtue of any written law, the rateable property.

### **Transfer to take effect immediately**

**85.** A transfer to take effect on the happening of any event or on the fulfilment of any condition or at any future time shall not be capable of registration.

### Conditions repugnant to interest transferred

**86. (1)** Any condition or limitation purporting to restrain absolutely a transferee or any person claiming under him from disposing of the interest transferred shall be void.

**(2)** Any condition or limitation made in relation to a transfer which purports to determine the interest of the transferee on the happening of any future event or on the failure of any future event to happen shall be void.

**(3)** Except as provided in Division 5 of this Part, no transfer of land shall contain a direction that the land shall be used or enjoyed by the transferee in a particular manner.

### Transfer of part

**87.** No part of the land comprised in a register shall be transferred unless the proprietor has first subdivided the land and new registers have been opened in respect of each subdivision.

### Transfer of leases

**88.** On the transfer of a lease, unless the contrary is expressed in the transfer, there shall be implied—

- (a)* a warranty on the part of the transferor that the rent, agreements and conditions on the part of the lessee to be paid, performed and observed have been so paid, performed and observed up to the date specified in the transfer or, if no such date is specified, the date of the transfer; and
- (b)* an agreement on the part of the transferee to pay the said rent as from the day following the date of the transfer as the case may be, and to perform and observe the said agreements and conditions.

### Effect of transfer on agreement in leases

**89.** A transferee from a lessor or from a lessee shall possess all the rights, and be subject to all the liabilities, of the lessor or lessee, as the case may be, expressed or implied in the lease, or arising or which have arisen thereunder, and the transferor shall cease to be under any obligation or possessed of any rights in respect of the lease:

Provided that, nothing in this section shall affect the rights or liabilities of the lessor or lessee, as the case may be, in respect of a breach of any of the agreements expressed or implied in the lease which occurred before the transfer.

### Transfer subject to charge

**90.** In every transfer of land or a lease subject to a charge, there shall be implied an agreement by the transferee with the transferor to pay the interest

secured by the charge at the rate and at the times and in the manner specified in the charge and to keep the transferor indemnified against the principal sum secured by the charge and from and against all liability in respect of any of the agreements on the part of the transferor therein contained or implied.

### **Transfer subject to lease**

**91.** A transfer of land which is subject to a lease shall be valid without the lessee acknowledging the transferee as lessor, but nothing in this section—

- (a) affects the validity of any payment of rent made by the lessee to the transferor; or
- (b) renders the lessee liable, on account of his failure to pay rent to the transferee, for any breach of agreement to pay rent before notice of the transfer is given to the lessee by the transferee or transferor.

### **Transfer of unregistered leases**

**92.** A transfer of a lease of registered land which lease does not itself require registration and is not registered, shall not itself require registration, but if application is made to the Registrar to register such transfer, he shall not do so unless the transfer is in the prescribed form and the lease and prior transfers or other dealings therewith have been registered.

*(Amended by Act 8 of 1981)*

## **Division 5**

### *Easements, Restrictive Agreements, Profits and Licences*

#### **Easements**

**93. (1)** The proprietor of land or a lease may, by an instrument in the prescribed form, grant an easement over his land or the land comprised in his lease, to the proprietor or lessee of other land for the benefit of that other land.

**(2)** Any proprietor transferring or leasing land or a lease may in the transfer or lease grant an easement, for the benefit of the land transferred or leased, over land retained by him, or reserve an easement for the benefit of land retained by him.

**(3)** The instrument creating the easement shall specify clearly—

- (a) the nature of the easement, the period for which it is granted and any conditions, limitations or restrictions intended to affect its enjoyment;
- (b) the land burdened by the easement and, if required by the Registrar, the particular part thereof so burdened; and
- (c) the land which enjoys the benefit of the easement,

and shall, if so required by the Registrar, include a plan sufficient in the Registrar's estimation to define the easement.

(4) The grant or reservation of the easement shall be completed by its registration as an incumbrance in the register of the land burdened and in the property section of the land which benefits, and by filing the instrument.

(5) An easement granted by the proprietor of a lease shall be capable of existing only during the subsistence of the lease.

### **Restrictive agreements**

94. (1) Where an instrument, other than a lease or charge, contains an agreement (hereinafter referred to as a restrictive agreement) by one proprietor restricting the building on or the user or other enjoyment of his land for the benefit of the proprietor of other land, and is presented to the Registrar, the Registrar shall note the restrictive agreement in the incumbrances section of the register of the land or lease burdened by the restrictive agreement, either by entering particulars of the agreement or by referring to the instrument containing the agreement, and shall file the instrument.

(2) Unless it is noted in the register, a restrictive agreement is not binding on the proprietor of the land or lease.

(3) The note of a restrictive agreement in the register does not give the restrictive agreement any greater force or validity than it would have had if it had not been registrable under this Act and had not been noted.

(4) In so far as the restrictive agreement is capable of taking effect not only the proprietors themselves but also their respective successors in title shall be entitled to the benefit and subject to the burden of it respectively, unless the instrument otherwise provides.

### **Profits**

95. (1) The proprietor of land or a lease may, by an instrument in the prescribed form, grant a profit.

(2) The instrument shall indicate clearly the nature of the profit, the period for which it is to be enjoyed and—

(a) whether it is to be enjoyed in gross, or as appurtenant to other land or a lease; and

(b) whether it is to be enjoyed by the grantee exclusively or by him in common with the grantor.

(3) The grant of a profit shall be completed—

(a) by its registration as an incumbrance in the register of the land or lease which it affects;

- (b) where it is appurtenant to other land or a lease, by its registration in the property section of the register of the land or lease to which it is appurtenant; and
  - (c) by filing the instrument.
- (4) A profit which is not appurtenant to land may be dealt with as though it were land.
- (5) A profit granted by the proprietor of a lease shall be capable of subsisting only during the subsistence of the lease.

### **Release and extinguishment of easements, profits and restrictive agreements**

96. (1) Upon presentation of a duly executed release in the prescribed form, the registration of the easement, profit or restrictive agreement shall be cancelled, and the easement, profit or restrictive agreement shall thereupon be extinguished.

(2) On the application of any person affected thereby, the Registrar may cancel the registration of an easement, profit or restrictive agreement upon proof to his satisfaction that—

- (a) the period of time for which it was intended to subsist has expired;
- (b) the event upon which it was intended to terminate has occurred; or
- (c) it has been abandoned.

### **Discharge and modification of easements, profits and restrictive agreements**

97. The court shall have power, on the application of any person interested in land affected by an easement, restrictive agreement or profit by order wholly or partially to extinguish or to modify any such easement, profit or restrictive agreement (with or without payment by the applicant of compensation to any person suffering loss in consequence of the order), on being satisfied—

- (a) that, by reason of changes in the character of the property or the neighbourhood or other circumstances of the case which the court deems material, the easement, profit or restrictive agreement ought to be held to be obsolete;
- (b) that the continued existence of the easement profit or restrictive agreement impedes the reasonable user of the land for public or private purposes without securing practical benefits to other persons or as the case may be, will unless modified so impede such user; or

- (c) that the proposed discharge or modification will not injure the person entitled to the benefit of the easement, profit or restrictive agreement.

### Natural rights

98. Nothing in this Act shall be construed as derogating from the natural right to support, light, air or access to a highway appertaining to any land nor from such ancillary rights as are necessary for effective enjoyment of an easement.

### Licences

99. (1) Without prejudice to section 127, a licence is not capable of registration.

(2) A licence relating to the use or enjoyment of land is ineffective against a *bona fide* purchaser for valuable consideration unless the licensee has protected his interest by lodging a caution under that section.

## Division 6

### *Co-proprietorship and Partition*

### Registration of more than one proprietor

100. (1) Every instrument made in favour of two or more persons and the registration giving effect to it, shall show—

- (a) whether such persons are joint proprietors or proprietors in common; and
- (b) where they are proprietors in common, the share of each proprietor.

(2) The Registrar may for any registration section prescribe either—

- (a) the maximum number (whether one or a greater number) of persons who are allowed to be registered in the same register as proprietors; or
- (b) the maximum denominator of the vulgar fraction which expresses the share of any proprietor,

or both of them, and no dealing shall be registered if its effect would be that number or that denominator as the case may be, would be exceeded.

### Characteristics of joint proprietorship and severance thereof

101. (1) Where the land, lease or charge is owned jointly, no proprietor is entitled to any separate share in the land, and consequently—

- (a) dispositions may be made only by all the joint proprietors; and

- (b) on the death of a joint proprietor, his interest shall vest in the surviving proprietor or the surviving jointly.
- (2) For avoidance of doubt it is hereby declared that—
  - (a) the sole proprietor of any land; lease or charge may transfer the same to himself and another person jointly; and
  - (b) a joint proprietor of any land, lease or charge may transfer his interest therein to all the other proprietors.
- (3) Joint proprietors, not being trustees, may execute an instrument in the prescribed form signifying that they agree to sever the joint proprietorship, and the severance shall be completed by registration of the joint proprietors as proprietors in common in equal shares and by filing the instrument.

### **Characteristics of proprietorship in common**

**102.(1)** Where any land, lease or charge is owned in common, each proprietor shall be entitled to an undivided share in the whole, and on the death of a proprietor his share shall be administered as part of his estate.

(2) No proprietor in common shall deal with his undivided share in favour of any person other than another proprietor in common of the same land, except with the consent in writing of the remaining proprietor or proprietors of the land, but such consent shall not be unreasonably withheld.

### **Partition of land owned in common**

**103.(1)** An application for the partition of the land owned in common may be made in the prescribed form to the Registrar by—

- (a) any one or more of the proprietors; or
  - (b) any person in whose favour an order has been made for the sale of an undivided share in the land in execution of a decree,
- and subject to the provisions of this Act and of any written law by or under which minimum areas or front-ages are prescribed or the consent of any authority to a partition is required, the Registrar shall effect the partition of the land in accordance with any agreement of the proprietors in common or in the absence of agreement in such manner as the Registrar may order.

(2) Partition shall be completed by closing the register of the parcel partitioned and opening registers in respect of the new parcels created by the partition and filing the agreement or order.

### **When Registrar may order sale**

**104.(1)** Where for any reason the land sought to be partitioned is incapable of partition or the partition would adversely affect the proper use of the land, and a demand is made by the applicant or one or more of the other proprietors in common that the land or any share or shares in the land be sold, the Registrar shall, in default of any agreement between the proprietors in

common, value the land and the shares of the proprietors in common and order the sale of the land or the separation and sale of such shares by public auction or make such other order for the disposal of the application as he thinks fit.

(2) A proprietor in common shall be entitled to purchase the land or any share so offered for sale, either at the auction or at any time by private treaty.

### **Procedure where share is small**

**105.(1)** Where the land sought to be partitioned is capable of partition generally, but the resultant share of any particular proprietor in common would be less in area than any minimum prescribed by or under any written law, the Registrar shall add such share to the share of any other proprietor or distribute such share amongst two or more other proprietors in such manner and in such proportions as, in default of agreement, he thinks fit.

(2) Where the Registrar proceeds in accordance with subsection (1) he shall assess the value of the share added or distributed and shall order that there be paid to the proprietor of the share by each proprietor who has received an addition to his share the value of such addition.

(3) Where any sum is payable under subsection (2) by any proprietor in common to any other proprietor in common, the Registrar may order that such sum be secured by way of charge on the share of the person liable to pay it.

## **PART 6**

### **INSTRUMENTS AND AGENTS**

#### **Form of instruments**

**106.(1)** Every disposition of land, a lease or a charge shall be effected by an instrument in the prescribed form or in such other form as the Registrar may in any particular case approve, and every person shall use a printed form issued by the Registrar unless the Registrar otherwise permits.

(2) Leases and charges shall be presented for registration in triplicate.

(3) Instruments shall contain a true statement of the amount or value of the purchase price or loan or other consideration (if any), and an acknowledgement of the receipt of the consideration.

#### **Execution of instruments**

**107.(1)** Every instrument evidencing a disposition shall be executed by all persons shown by the register to be proprietors of the interest affected and by all other parties to the instrument.

(2) Subject to section 120(2) an instrument shall be deemed to have been executed only—

- (a) by a natural person, if signed by him;
- (b) by a corporation—
  - (i) if sealed with the common seal of the corporation, affixed thereto in the presence of and attested by its clerk, secretary or other permanent officer and by a member of the board of directors, council or other governing body of the corporation; or
  - (ii) in the case of a corporation not required by law to have a common seal, if signed by such persons as are authorised in that behalf by any law or by the statute or charter of the corporation or, in the absence of any express provision by the persons duly appointed in writing for that purpose by the corporation, evidence of which appointment has been produced to the satisfaction of the Registrar.

*(Substituted by Act 7 of 1979)*

### **Instruments and agents including attestation and proof of instruments executed out of Montserrat**

**108.(1)** Subject to subsection (3), a person executing an instrument shall appear before the Registrar or such public officer or other person as is prescribed and, unless he is known to the Registrar or such public officer or other person, shall be accompanied by a credible witness and shall produce a document or documents of identity.

**(2)** The Registrar or public officer or other person shall satisfy himself as to the identity of the person appearing before him and ascertain whether he freely and voluntarily executed the instrument and shall complete a certificate to that effect in the prescribed form.

**(3)** An instrument which is required to be executed by or on behalf of the Crown, shall be deemed to be executed when it has been signed by the Governor.

**(4)** The Registrar may dispense with verification under this section—

- (a) if he considers that it cannot be obtained only with difficulty and he otherwise satisfied that the document has been properly executed; or
- (b) in cases in which to his knowledge the document has been properly executed; and shall record on the document his reasons for dispensing with the appearance of the parties.

**(5)** No instrument executed out of Montserrat shall be registered unless it has endorsed thereon or attached thereto a certificate in the prescribed form completed by one of the persons named in the Schedule to this Act.

*(Inserted by Act 7 of 1979)*

## Stamps

**109.** No instrument required by law to be stamped shall be accepted for registration unless it is duly stamped.

## Disposal of instruments

**110.(1)** Subject to subsection (2) and section 112(2), all instruments accepted by the Registrar shall be retained in the registry for as long as they support a current entry in the register and for six years thereafter.

**(2)** When a lease or charge is registered, particulars of registration shall be noted on the duplicate and triplicate thereof, and the duplicate and the triplicate shall be returned to the person who presented them.

**(3)** Six years or more after an entry in the register has been superseded or has ceased to have any effect, the Registrar may destroy any instrument which supported the entry.

## Minors

**111.(1)** For the avoidance of doubt, it is hereby declared that the name of a person under the age of twenty one years may be entered in the register either on first registration or as a transferee or on transmission.

**(2)** Nothing in this section enables any such person to deal with land or any interest in land by virtue of such registration, and, where to his knowledge a minor is registered, the Registrar shall enter a restriction accordingly.

**(3)** Where a disposition by a minor whose minority has not been disclosed to the Registrar has not been registered, such disposition may not be set aside only on the grounds of minority.

## Agents and persons under disability

**112.(1)** Except as provided in subsection (3), no instrument executed by any person as agent for any other person shall be accepted by the Registrar unless the person executing it was authorised in that behalf by a power of attorney executed and verified in accordance with sections 107 and 108.

**(2)** The original of such power of attorney or, with the consent of the Registrar, a copy thereof certified by the Registrar shall be filed.

### Survivor of trustees

123. Whenever two or more proprietors are registered jointly as trustees, and the survivor of such proprietors would not be entitled to exercise alone the powers which are vested in them, the Registrar shall enter a restriction to that effect.

### PRESCRIPTION

#### Acquisition of land by prescription

**135.(1)** The ownership of land may be acquired by peaceable, open and uninterrupted possession without permission of any person lawfully entitled to such possession for the same period as that which under the Limitation Act would be required to bar an action for recovery of the land in the same circumstances between the same parties.

**(2)** Any person who claims to have acquired the ownership of land by virtue of subsection (1) may apply to the Registrar for registration as proprietor thereof.

**(3)** Where from the relationship of the parties or from other special cause it appears that the person in possession of land is or was in possession on behalf of another his possession shall be deemed to be or to have been the possession of that other.

**(4)** If a person whose possession of land is subject to conditions imposed by or on behalf of the proprietor continues in such possession after the expiry of the term during which such conditions subsist, without fulfilment or compliance with them by such person and without any exercise by the proprietor of his right to the land, such subsequent possession shall be deemed to be peaceable, open and uninterrupted possession within the meaning of section 135.

(5) For the purposes of subsection (4)—

- (a) a tenancy at will shall be deemed to have terminated at the expiration of a period of one year from the commencement thereof unless it has previously been determined;

### **Acquisition of easements and profits by prescriptions**

**138.(1)** Except in respect of Crown land, easements and profits may be acquired without registration by peaceable, open and uninterrupted enjoyment thereof for a period of twenty years:

#### Rectification by court

**140.(1)** Subject to subsection (2), the court may order rectification of the register by directing that any registration be cancelled or amended where it is satisfied that any registration including a first registration has been obtained, made or omitted by fraud or mistake.

(2) The register shall not be rectified so as to affect the title of a proprietor who is in possession or is in receipt of the rents or profits and acquired the land, lease or charge for valuable consideration, unless such proprietor had knowledge of the omission, fraud or mistake in consequence of which the rectification is sought, or caused such omission, fraud or mistake or substantially contributed to it by his act, neglect or default.

### Recovery of indemnity paid

**144.** Where any moneys are paid by way of indemnity under this part of this Act, the Attorney General shall be entitled to recover by suit or otherwise the amount so paid from any person who has caused or substantially contributed to the loss by his fraud or negligence, and to enforce any express or implied agreement or other right which the person who is indemnified would have been entitled to enforce in relation to the matter in respect of which the indemnity has been paid.

## Errors in survey

**145.(1)** As between the Government and a proprietor no claim to indemnity shall arise and no suit shall be maintained on account of any surplus or deficiency in the area or measurement of any land disclosed by a survey showing an area or measurement differing from the area or measurement disclosed on any subsequent survey or from the area or measurement shown in the register or on the Registry Map.

**(2)** As between a proprietor and any person from or through whom he acquired the land, no claim to indemnity shall be maintained on account of any surplus or deficiency in the area or measurement above or below that shown in any other survey or above or below the area or measurement shown in the register or on the Registry Map, after a period of six months from the date of registration of the instrument under which the proprietor acquired the land.
