### **PUBLIC NOTICE ON PROPOSED MODIFICATION TO THE PHYSICAL DEVELOPMENT PLAN FOR NORTH MONTSERRAT 2012-2022**

The Physical Planning Unit (PPU) within the Ministry of Agriculture, Lands, Housing and the Environment (MALHE) is seeking further representation on the proposed modification to the 'Physical Development Plan for North Montserrat 2012-2022'. The zoning of lands in Upper Belham and Fort Ghaut in the Plymouth area to allow for sand mining.

In keeping with Section 7 of the Physical Planning Act which guides the procedure for revision and modification of the Approved Development Plan, public consultation is required on this matter. This is to ensure that residents of the immediate and surrounding areas, stakeholders, and all interested parties are (i) aware of the proposal, and (ii) allowed the opportunity to provide feedback on, and raise any related concerns or issues they may have. Further representation on the Draft Physical Development Plan is required.

The PPU has published the information at the following:
