Remarks:

- Note 1. All parcels that are to under a change of boundary should be listed.
Note 2. All parties affected by a boundary alteration shall give consent in writing, which shall be attached to this form. The Registrar will normally require witness to signature.
Note 3. A sketch based upon the Registry Map is all that is required at this state for a. and c. The eventual need for a surveyor's plan is dependent upon the requirements of DCA and the Chief Surveyor. No sketch or plan required for b.
Note 4. This may be struck out at the discretion of the Registrar. If planning permission already exists the DCS approved plan should be submitted with this form.
Note 5. If the applicant is not the owner the written authority of the owner must be attached.
